

# RESOURCES FOR LESSONS & LESSON IDEAS

[BOTH IN VIDEO AND LESSON FORMAT]

---

## Module 5

These are some websites you can use to download age-appropriate lessons for your child. Some of these are printable lessons, some are online videos.

01.	<a href="#"><u>Reach Every Voice</u></a>
02.	<a href="#"><u>I-ASC Lesson Library</u></a>
03.	<a href="#"><u>Kids Discover Online</u></a>
04.	<a href="#"><u>Brain Pop</u></a> (video based) [or Brain Pop Jr for younger kids]
05.	<a href="#"><u>Discovery Education</u></a> (fabulous videos)
06.	<a href="#"><u>National Geographic Education</u></a>
07.	<a href="#"><u>History Channel Education</u></a>
08.	<a href="#"><u>How to Smile</u></a>
09.	<a href="#"><u>National Geographic Kids</u></a>
10.	<a href="#"><u>National Science Digital Library</u></a> (for older students)
11.	<a href="#"><u>Slooh</u></a> (Space intensive for older, more experienced students)
